

# HW6

- Design database schemas that will enable us to model
  - SCIENCE\_MATH\_ELECTIVE\_REQUIREMENT
  - FREE\_ELECTIVE\_REQUIREMENT
  - PHYS\_ED\_REQUIREMENT
  - CS\_STARTING\_COURSE\_REQUIREMENT
  - TECH\_ELECTIVES\_REQUIREMENTas requirements. (Document the tables and attributes, and be sure to include fks.)
- Construct instances of all the required schemas necessary to represent all the above mentioned requirements as we've been discussing in class.
